# SPECIAL SOUTHERN LANDSCAPE PLANTS

Inngle Gardens Uursery

AVERY ISLAND, LOUISIANA.

#### INTRODUCTORY

WE OFFER THE FOLLOWING Nursery Stock for the season of 1925-26, and shall be very glad indeed to have you read same carefully, advising us if we may serve you, as we have a first class stock of plants, shrubbery, etc. It would be good policy to place your order early for your wants, as there is likely to be a shortage in nursery stock in some varieties.

WE MAKE A SPECIALTY of plants in size and variety adapted for SOUTHERN PLANTING AND LANDSCAPE WORK. Our stock of LARGE plants is the FINEST IN THE SOUTH.

#### SYMBOLS

B & B, Signifies BALLED and BURLAPED (taken up with ball of dirt and wrapped in burlap.)

N. B. Signifies NOT BALLED (taken up bare rooted.)

EDWARD A. McILHENNY - - Proprietor-D. D. DAGGETT - - - Sales Manager.

## Jungle Gardens Yursery

1925-26

AVERY ISLAND, :-: LOUISIANA.

#### TERMS OF BUSINESS

Location.—General Office and Nursery at Avery Island, Iberia Parish, Louisiana, on the Southern Pacific Railway, and hard-surface highway through Nursery, eight miles south of New Iberia, Louisiana.
Telegraph Address is New Iberia, Louisiana.

Long Distance Telephone office in our main office.

Our Freight Station is Salt Mine, Louisiana.

Invitations to Visitors.—We take pleasure in showing our stock to persons wishing to purchase; if notified in time, we will meet visitors at the station on arrival.

Minimum Orders.-We do not care to ship orders for less than ten plants of a variety, at wholesale prices. If less of a kind are wanted, please write for our Retail Cat-

alogue.

Terms Cash with order, if for immediate shipment. Orders for trees to be held for some weeks after the shipping season opens should also be accompanied by full payment. On orders booked in advance of the shipping season. son 25 per cent down, with the balance due when the shipping season opens. We do not care to ship C. O. D.

Remittances.—To secure safety and prompt acceptance, remittances should be made by Bank Draft, Express or Post-Office Money Order, Registered Letter, or Prepaid

lethod of Shipment.—Shipping directions should be tiainly written, and we urge our customers, in all cases, to use our order sheets. We shall be pleased to forward additional ones upon application. Kindly indicate whether shipment is to be made by freight, express or mail. When method of shipment is left to us, or when no directions are given, we will ship according to our best judgment, by such means as we believe to be in the best interests of our customers.

Transportation at Purchaser's Risk and Expense .-All transportation charges are to be paid by the purchaser, and our responsibility ceases upon delivery to forwarding companies; claims for losses or damages must be made upon the latter. We will, however, start a tracer for delayed shipment, if notified, and use every means at our command to secure prompt delivery, or recovery in case of damage or loss.

Shipping by Parcel Post.—In ordering trees or plants for shipment by post, add 25 per cent to the list price, to cover cost of packing and postage.

Time of Shipment.—Unless instructed otherwise, orders during the shipping season will be forwarded as soon after their receipt as possible, and orders booked in advance will be shipped as soon as may be after the shipping season

Shipping and Planting Season.—November to March for all trees and shrubs grown in the open field; balled plants, bamboos, grasses and pot-grown plants may be shipped at any time. Prices in this catalogue cover the ship-

ped at any time. Prices in this catalogue cover the snipping season of 1925-26, ending May, 1st, 1926.

Selecting Varieties suited to locality, is of the first importance, and can often be more advantageously done by ourselves than by the purchasers. We are always glad to aid our customers in their selections, when so desired, and will, upon request, cheerfully furnish additional information in accord to the adaptability of particular in accord to the adaptability of particular in according to the adaptability of particular in the adaptability of particular interpretability of particular interpre tion in regard to the adapability or desirability of particular varieties.

Labels attached with brass wire to everything sent out. We Guarantee all stock sent out to be well rooted, well grown, true to name, properly packed, and shipped according to instructions. Our liability under the foregoing guaranty is limited in amount to the original price received.

Claims.—If, by any possibility, errors should occur, they will be promptly rectified, if claim is made within ten days after the receipt of the goods.
